Missing your TACAC connection? Even though the conference and college fairs have been cancelled, you can still “Watch What Happens” online with TACAC. Join us for TACAC Webinars! We will be hosting a webinar “Working from Home” [on Tuesday, March 24th at 10:00 am CST.](#)

Working from home for the first time due to COVID-19? Not sure how to navigate working remotely? In TACAC we have many experts who have been working from home for years! Join us as our colleagues share best practices and tips that they have learned from working from home. CPE credit will be offered for High School Counselors.

We hope to continue connecting with members during this time. Look for additional webinars coming soon.
